Thrive Faith Formation Tip | The faith practice of remembering provides a way to center our attention on what God has done in our lives as a reminder that God is with us here and now. As the month of January draws to a close, share your favorite memory from the past month or past year with your family members or friends, recognizing God's care and love for you in that moment. For more info on the faith practice of remembering, see crcna.org/FaithPracticesProject/remembering. Brought to you by Thrive: crcna.org/Thrive
